- Integrated 8-mic array
- 60W audio output (incl. subwoofer)
- 100W USB-C power delivery

Included software

- SMART Ink
- SMART Meeting Pro
- SMART product drivers

Unmatched image quality

The only QLED 4K interactive display on the market that supports Dolby Vision technology.

Incredible inking

Pick up a pen and write directly into Microsoft Office and PDF files— and even save annotations natively for brainstorming later.

Teamwork without interference

Multiple users can write, erase, and interact with content at the same time without interrupting each other's flow.

Simple room control

HDMI-CEC, RS-232, and TCP/IP command support for easy room integration and IT administration.

Use the OS you know

Mirror your laptop's OS through USB-C or connect a SMART OPS module for an embedded OS experience – SMART iQ, Microsoft, ChromeOS, or Android.

Meet your way

Compatible with Microsoft Teams Rooms, Zoom, Google Meet, Webex, and more.

Intuitive out of the box

T Pro series combines OS versatility, SMART Ink, and true multi-touch awareness to deliver a user-friendly experience right out of the box.
