SMART Board®

M Pro series
High secure TAA

The M Pro high secure series TAA ensures that training and briefings are secure, efficient, and memorable.

Whether you're visualizing complex scenarios, analyzing mission critical data, or bringing team members up to speed, the M Pro high secure series TAA makes everything simple while staying secure.

55" | 65" | 75" | 86"

Secure collaboration, successful execution:

Trust in TAA
The M Pro high secure series TAA is manufactured in North America.

Enjoy free SMART software
Compatible with optional SMART Meeting Pro software.

Bring stability to your solution
Also compatible with our TAA compliant adjustable electronic stand (not included).

Meet your way
Host and join meetings using on- premise video conferencing, or external meeting solutions.

Make decisions with clarity
Sharper, brighter, and high-contrast visuals thanks to a 4K UHD LED display.

Keep privacy a priority
No embedded software, microphone, WiFi, Bluetooth, or pass-through on memory storage devices ensures that your briefings remain secure and your team can add your trusted equipment where necessary.

Interact without interference
Only SMART displays allow multiple users to simultaneously write, erase, and move objects on the display without interfering with each other's work.

Write like pen-on-paper
Enjoy up to 40 touchpoints with pens, fingers, and erasers. Experience a smooth and accurate inking experience within any app on your laptop.

Hear and connect with no fuss.
Powerful 40W speakers and supports multiple HDMI, USB-C, USB-B, USB-A, and VGA ports.

Ink efficiently
SMART Ink desktop annotation software enables participants to directly annotate into PDF and Microsoft Office files without clunky overlays or app switching.

More Energy Efficient than > 84% of competing ENERGY STAR certified 75" interactive displays on the market.
