

SMART[®] MultiStylus

Write. Point. Teach.
Anywhere.

The all-in-one tool that stays ready, moves with you, and unlocks hands-on learning.
The SMART MultiStylus untethers you from the Board, giving you the freedom to engage with students 1:1 whilst maintaining full control of your lesson. It's more than a pen - it's your classroom remote, slide clicker, and creative wand, all in one.

Always ready. Always yours.

The super-capacitor design with patented wireless fast-charge means you never run out of power.

Write your way

Pressure-sensitive inking and fine-point erasing. Natural and precise.

Charged in the blink of an eye

A minute to charge for an hour of use. Full charge in 6 minutes. Patented wireless fast-charge **ONLY with SMART.**

Maintenance-free

Super-capacitor design means no battery replacement, electronic waste or IT burden.

Air mouse mode

Control and interact with lessons from anywhere in the room.

Slide navigation

Jump between slides with built-in buttons.

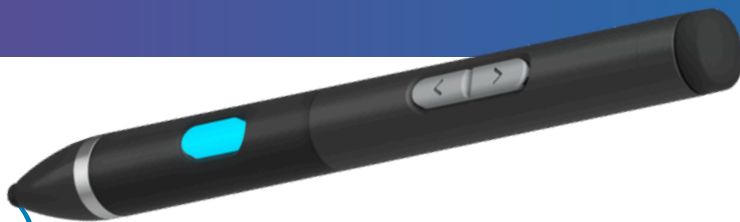

Programmable shortcuts

1-click to launch apps, browser, tools and more.

Walk. Talk. Teach.

Untether from the board and keep engagement high.

Support for every teaching moment.

Your personalised SMART Board pen.

The always-ready, battery-free design (with patented wireless quick charge!) and personalised ink settings make it easy to annotate, model, and adjust on the spot with the click of a button. No breaks in momentum – just smooth, continuous writing and teaching that keeps students locked in.

Control your display from anywhere.

Let teachers move freely whilst keeping full control of the lesson. Air-mouse mode and slide navigation mean they can circulate, conference with students, or redirect behaviour without returning to the board. Teachers stay mobile, present, and in command, boosting engagement and accountability across the room.

Unlock Tool Explorer. Unleash learning.

Bring hands-on engagement to more classrooms by unlocking tactile interactions on your existing MX series displays. This simple add-on enables Tool Explorer stamps and cubes*, providing accessible entry points for every student without the need to replace your panels. Boost participation instantly with hands-on materials that pair perfectly with your digital content.

Compatible with SMART Board MX-V5 and RX series.
